 you lost two in a row.
 I feel sad that you lost

 Maybe you should make

EDITOR’S LETTER

0-2. And the notes are already in.

Bijan moved again. Boom asked for forty-five trades and got four. The Scott Ramsays bought a name for 1.24 points. Downstairs, Jerry had spent September needling the belt.

Thursday night the Shiny Hineys sent Bijan Robinson to the Kickers n Jigba. Boom Baum saw the slip and said the quiet part out loud. The Hineys had paid \$69 for him. They had already shipped him once.

By Monday Boom was 0-2 on 188.0 points and publishing a season minimum of 45 trades. Tuesday morning Otter posted Eden Banner’s letter, with video of Boom reading it at breakfast. The letter is the cover.

This issue closes Wednesday, Sept. 23, before Thursday. The trades stop at Bijan.

“I need to meet a minimum of 45 trades a season for it to be successful.”

THURSDAY NIGHT

Was That a Real Trade?!

The Shiny Hineys sent Bijan Robinson to the Kickers n Jigba. They had paid \$69 for him. Last August they had already shipped him once.

THE SHINY HINEYS · THE KICKERS N JIGBA · SEPT. 17

Thursday at 8:20 p.m. Boom Baum saw the deal and said it out loud. “Holy hell. Was that a real trade?!” Eleven seconds later he answered himself. “Holy shit.”

The Kickers n Jigba took Bijan Robinson, Chris Olave, and Zach Charbonnet. The Shiny Hineys came back with Davante Adams, Javonte Williams, Braelon Allen, and Garrett Wilson. The Hineys had paid \$69 for Bijan at the auction.

They had done this before. On Aug. 26, 2025, the Hineys shipped Bijan to Boom Baum. On Sept. 12 they took him back.

He’s Gumby. The most durable RB I’ve ever seen. I’m also tired of watching Falcon games.

SHINY HINEYS · THURSDAY, SEPT. 17, 8:55 P.M.

it feels like your relationship with Bijan is a love/hate thing. That’s the only way I can make sense of you shipping him away year after year

FART TOOT SQUEEK · TO THE SHINY HINEYS · THURSDAY, SEPT. 17, 8:52 P.M.

Eight minutes after the deal, the Hineys said the bot had missed a leg. “the bot forgot the \$5 FAAB Rob gave me. Really made the trade” The slip did not show the \$5. That figure is their claim.

AUCTION PRICE · BIJAN ROBINSON

\$69

Paid by the Shiny Hineys, 2026. Thursday they sent him to the Jigba with Chris Olave and Zach Charbonnet. Back: Davante Adams, Javonte Williams, Braelon Allen, Garrett Wilson. Cash on the slip: none. The Hineys say \$5 FAAB came with him.

SEASON MINIMUM

The Minimum Is 45

Boom Baum is 0-2, on 188.0 points. The Scott Ramsays are last in points, at 176.2. He set the season's minimum at 45 trades.

BOOM BAUM · MONDAY, SEPT. 21

Monday at 3:50 p.m., Boom Baum put a number on the season. “I just wanna say the low amount of trades this season is really impacting my mental health. I need to meet a minimum of 45 trades a season for it to be successful.”

By the time Bijan moved, the Premier had made seven trades on the season, and the Guy Next Door deal counts as one. Four of the seven have Boom on a side. This week's Desk prints four of those deals; one of them is his. The gap from four to 45 is 41. Sunday he scored 89.22 and fell to 0-2. Two weeks of points: 188.0. The Scott Ramsays have scored the fewest points in the Premier, 176.2.

Boom to the Scott Ramsays, Sept. 18:
“congrats on the catch.... Now trade with me.”

Quote from Scott in the podcast I can't believe boom Baum has some of the worst offensive players like Drake London... fast-forward 10 minutes later I can't believe boom traded Drake London... The boom hatred has already started, and I can't wait to shove it in your faces when I win this damn thing.

BOOM BAUM · SATURDAY, SEPT. 19, 8:39 A.M. · HIS WRITE-UP OF THE POD; NO TRANSCRIPT IN THE BOOK

BY THE NUMBERS · BOOM BAUM

THE LETTER

Notes, at Breakfast

OTTER · TUESDAY, SEPT. 22 · THE COVER

My daughter Eden wrote a very sweet, compassionate, and consoling letter to Boom Baum in light of his season starting unfortunately. Here is the letter and him reading it this morning at breakfast.

OTTER · TUESDAY, SEPT. 22, 8:35 A.M.

The letter drew eight. The breakfast video drew eleven. The letter is the cover. Boom was already 0-2.

KNOCKOUT WAIVER

A Thousand on Ja'Marr

JackaWhack burned the season's FAAB on Wednesday. In the Premier that club is the Scott Ramsays.

JACKAWHACK · WEDNESDAY, SEPT. 23

Wednesday the knockout waiver ran. JackaWhack took Ja'Marr Chase for \$1,000. That was the whole season budget. JackaWhack is the Scott Ramsays. On the Week 1 card the club was still Thomas's Terrific Team. It is not the host.

Nah I already spent all my FAAB on Jamar

THE SCOTT RAMSAYS · TUESDAY, SEPT. 22, 9:01 P.M.

He said it Tuesday night. The waiver cleared Wednesday. He spelled it Jamar.

NAME CONTEST

THE SCOTT RAMSAYS · H TOWN HOLY ROLLERS · SEPT. 17

On the Week 1 card the winner was still Thomas's Terrific Team. The stake was each club's Week 1 starting lineup, the higher score, one week of the name and the logo. They did not play each other.

Thursday at 10:00 p.m. the Scott Ramsays told H Town they had the points. "I outscored youuuu" Twenty-six seconds later: "I want your name to be 'The Little Bread Boi'." Nine seconds after that: "Change it NOW"

H Town wrote the scores. "First week score - 99.54-98.3." Difference 1.24.

Well, you are the LITTLE bread boi.
