daughter

0-2. AND THE NOTES ARE ALREADY IN.

Eden Banner wrote Boom a letter. Otter brought it Tuesday morning, with the breakfast video. Boom is 0-2. The minimum, he had already said, was 45 trades.

- WAS THAT A REAL TRADE?! ▪ \$1,000. ALL OF IT. ON JA'MARR. ▪ AN NCT BY 1.24. CHANGE IT NOW.
- SCOTT DIDN'T LIKE THE TEAM.

THE TRADE

WAS THAT A REAL TRADE?!

Thursday night the Shiny Hineys sent Bijan Robinson to the Kickers n Jigba. They had paid \$69 for him. Last August they had already shipped him once.

THE SHINY HINEYS · THE KICKERS N JIGBA · SEPT. 17

Thursday at 8:20 p.m. Boom Baum saw the deal and said it out loud. "Holy hell. Was that a real trade?!" Eleven seconds later he answered himself. "Holy shit."

The Hineys had done this before. On Aug. 26, 2025, they shipped Bijan to Boom Baum. On Sept. 12 they took him back.

“

it feels like your relationship with Bijan is a love/hate thing. That's the only way I can make sense of you shipping him away year after year

FART TOOT SQUEEK · TO THE SHINY HINEYS · THURSDAY, SEPT. 17, 8:52 P.M.

“

He's Gumby. The most durable RB I've ever seen. I'm also tired of watching Falcon games.

SHINY HINEYS · THURSDAY, SEPT. 17, 8:55 P.M.

Eight minutes after the deal, the Hineys said the bot had missed a leg. "the bot forgot the \$5 FAAB Rob gave me. Really made the trade" The slip did not show the \$5. That figure is their claim.

AUCTION PRICE · BIJAN ROBINSON

\$69

Paid by the Shiny Hineys, 2026. Thursday they sent him to the Jigba with Chris Olave and Zach Charbonnet.

Back: Davante Adams, Javonte Williams, Braelon Allen, Garrett Wilson. Cash on the slip: none. The Hineys say \$5 FAAB came with him.

0-2

THE MINIMUM IS 45

Boom Baum is 0-2. He set the season's minimum at 45 trades.

BOOM BAUM · MONDAY, SEPT. 21

Monday at 3:50 p.m., Boom Baum put a number on the season. "I just wanna say the low amount of trades this season is really impacting my mental health. I need to meet a minimum of 45 trades a season for it to be successful."

By the time Bijan moved, the Premier had made seven trades, the Guy Next Door deal counts as one, and Boom was on four of them. He still needs forty-one more for the season he wants. Sunday he scored 89.22 and fell to 0-2. Two weeks: 188.0. Last in the Premier is the Scott Ramsays, at 176.2.

Saturday morning he wrote down what he says Fart Toot Squeek said on the pod. There is no transcript. Boom's version:

Boom Baum to the Scott Ramsays, Sept. 18: "congrats on the catch... Now trade with me."

“

Quote from Scott in the podcast I can't believe boom Baum has some of the worst offensive players like Drake London, and that Atlanta Falcons offense." fast-forward 10 minutes later I can't believe boom traded Drake London..." The boom hatred has already started, and I can't wait to shove it in your faces when I win this damn thing.

THE LETTER

NOTES, AT BREAKFAST

OTTER · TUESDAY, SEPT. 22 · THE COVER

“

My daughter Eden wrote a very sweet, compassionate, and consoling letter to Boom Baum in light of his season starting unfortunately. Here is the letter and him reading it this morning at breakfast.

OTTER · TUESDAY, SEPT. 22, 8:35 A.M.

The letter drew eight. The breakfast video drew eleven. It is the cover. Boom was already 0-2.

CHOP

A THOUSAND ON JA'MARR

In the Premier, JackaWhack is the Scott Ramsays. It is not the host.

JACKAWHACK · WEDNESDAY, SEPT. 23

Wednesday the knockout waiver ran. JackaWhack took Ja'Marr Chase for \$1,000. That was the whole season budget.

On the Week 1 card the club was still Thomas's Terrific Team.

“

Nah I already spent all my FAAB on Jamar

THE SCOTT RAMSAYS · TUESDAY, SEPT. 22, 9:01 P.M.

He said it Tuesday night. The waiver cleared Wednesday. He spelled it Jamar.

THE NAME

CHANGE IT NOW

Thomas's Terrific Team won the name. H Town Holy Rollers became the Little Bread Boi. The margin was 1.24, and they did not play each other.

THE SCOTT RAMSAYS · H TOWN HOLY ROLLERS · SEPT. 17

Change it NOW.

On the Week 1 card the winner was still Thomas's Terrific Team. The stake was each club's Week 1 starting lineup, the higher score, one week of the name and the logo. They did not play each other.

Thursday at 10:00 p.m. the Scott Ramsays told H Town they had the points. "I outscored youuuu" Twenty-six seconds later: "I want your name to be 'The Little Bread Boi'." Nine seconds after that: "Change it NOW"

H Town wrote the scores. "First week score - 99.54-98.3."

“

Well, you are the LITTLE bread boi.

The Dreams: "it's either Loveland for 0 points in the TE slot or it's no one in the TE slot for 0 points." Eleven people knew the bit. "Most importantly, this is just another example of the innovations in fantasy football we can accomplish when we think with our Peen league."

Meanwhile, on the wire: Boomer Frogs \$1,000 on Jeremiyah Love; Rowdy \$650 on James Cook and \$333 on Hampton; JackaWhack \$1,000 on Ja'Marr Chase Wednesday; the Hineys \$200 back onto Hampton. The Premier spent nothing.
