THE REIGN IS 0-2

Stone Cold took the belt in August. Week 2 put 78.50 on the champion and left four Premier teams, including him, without a win.

EDITOR'S LETTER

The belt stayed. The wins did not.

All Gold, No Glory posted the week at 152.14. The Kickers n Jigba stayed 2-0 on Josh Allen and Jaxon Smith-Njigba. Fart Toot Squeek, the champion, scored 78.50 and is 0-2.

The finals in this issue come from the ESPN scoreboard snapshot fetched September 22, 2026, marked final for both Premier (1851323) and Champeens (1695026336). Season totals are that snapshot's wins, losses, points for, and points against. Nothing here is a projection except the Week 3 card, which is labeled as one.

Premier's floor was The Scott Ramsays at 76.68. The closest Premier game was The Guy Next Door 89.76, Jackin' Goff 81.58. Champeens went lower and tighter: Madison Beer 76.10, Neaux Gold, All Glory 73.52.

The trade log between September 15 and September 18 shows four Premier packages. One of them is stored twice, same players, two timestamps. We print it once. Premier and Champeens have no waiver rows in the league claim table. The knockout league does. We do not borrow those claims and pretend they happened upstairs.

"Well at least I dont need to stay up late."

SAME NFL WEEK, DIFFERENT ROSTER

76.10 Was Enough. 132.98 Was a Statement.

Madison Beer is 2-0 with 171.20 points for, last among the unbeaten. Mac Attack is 2-0 on a Brock Purdy week. Jaxon Smith-Njigba scored 40.00 for Amburgers and, in the other league, 40.00 for the Kickers.

Beer 76.10, Neaux 73.52

The margin is 2.58. Beer’s starters included Dalton Schultz at 21.00 and Jaylen Waddle at 18.80. Jaxson Dart scored 0.80. Malik Nabers scored 0.60. Neaux started Jahmyr Gibbs at 20.30 and Kyren Williams at 14.70 and still lost. DJ Moore’s line was -0.10.

Beer’s season points against are 165.14, the lowest in Champeens. The record is perfect. The point total is not.

Mac Attack 132.98

Mac beat Jerry GM + Jerry Owner, 132.98–107.38. The starter list: Brock Purdy 30.48, DeVonta Smith 23.70, Christian McCaffrey 20.60, Derrick Henry 16.20, Rams D/ST 11.00, Mark Andrews 7.90, Cam Skattebo 7.50, Mike Evans 6.90, DK Metcalf 4.70, Ka’imi Fairbairn 4.00.

Jerry is 1-1. Season points against: 266.44.

Amburgers 122.28

Beat Cowboys September Dreams, 122.28–112.72, a margin of 9.56. Three wideouts did most of it: Jaxon Smith-Njigba 40.00, Ja’Marr Chase 23.00, Chris Olave 18.60. That is 81.60 of the 122.28. Baker Mayfield added 12.68. The rest of the starters were in single digits, down to the Jaguars D/ST at 1.00.

This Olave is the Champeens roster. The Premier Olave is on the Kickers. Same 18.60 NFL line. Different team.

OTTER, STILL THE POINTS LEADER

Otter beat OKC Schlegstas 112.66–90.86 and leads Champeens at 2-0 with 252.76 points for. Davante Adams scored 36.50 in that lineup. Kenneth Walker III scored 21.80. Bijan Robinson scored 9.60. In Premier, that same Adams line belongs to Shiny Hineys, and that same Bijan line belongs to the Kickers.

THE 0-2S DOWN HERE

Neaux Gold, All Glory 206.98. Prime Lime Time 202.18. OKC Schlegstas 182.48. Jordan’s Trainers 173.34, with 235.96 points against. Chase Is My Leader is 1-1 and has been outscored on the season by 0.04: 216.58 for, 216.62 against.

WHAT WE ARE NOT CALLING A PREMIER WAIVER

The claim table has 50 rows, all of them in the knockout league (ESPN 571908355), from Sep 16 through Sep 24. Premier and Champeens have none. If a waiver happened upstairs, it is not in this log, so it is not in this issue.
